| • Certified Dog Visitor                                 | 1                |
| • Respond to requests from Rev. Ogun                    | 2                |

**Summary of Other Services**

- Lead three Wednesday Evening Services
- Revised the Manual and Guide for the Home & Hospital Training Program
- Coordinated the care, visits and calls for a family with a seriously ill member
- Organized the delivery of meals for a congregant who was sick and alone at home

**Continuing Education**

- Attended the 3-day Prayer Chaplain Trainer's Workshop developed by Rev. Lei Lanni Burt
- Attended the 7-day conference entitled "Parliament of the World's Religions"

**Future Plans**

- Create a multipurpose work space
- Co-lead a 6-week educational/support bereavement group
- Create a warm and inviting space for the training and support of the Home & Hospital Chaplains
- Plan an off-site Retreat Day for the enrichment and on-going spiritual growth of the Home and Hospital Prayer Chaplains.
- Create an Ad Hoc Committee that will "listen to" and "discern with" the Director of Pastoral Care Outreach and the Home & Hospital Prayer Chaplains in supporting this ministry. This Committee will meet three to four times per year.
